Mon 28 Jun 2021	Monthly "Set Subject" Competition knockout final with top images from each of monthly set subject competitions

This competition comprises monthly rounds which are open to all members whatever their experience. The theme of this year's subjects is the "letters" in FINDING PHOTOS (there are ten unique letters used in sequence F I N D I N G _ P H O T O S). Additionally there are two additional (online) rounds in Summer 2020 using the remaining letters JQK (July 2020) and VXZ (August 2020). Images should use, exploit or be inspired by the chosen letter. Think laterally - image maybe be about the shape of the letter, symbols, common usage or a word/acronym/name starting with or using the letter etc. Up to three images can be submitted in each month (on the day of the competition) by each photographer.

During the Pandemic images can have been taken at any time (usually there is a 12 month restriction) - so look in your archives - and can be entered in one of the monthly knockout competitions provided the image is relevant to the set subject letter for that month. Each month members vote for their favourite top 3 images which go forward to the knockout final in June.

Ideally digital images should follow the same guidelines as used for PDI competition (ie jpgs sized at 1920 x 1080 pixels) and title your three images image title_yourname_.jpg
