The PDI, Digital and Print competitions are open to all members whatever their experience and are judged by a visiting judge. Photographers can enter their works in any round of any competition - but an image can only be used once in the year. The PDI of the Year (includes Digital) and Print of the Year entries must have been used in a previous round of the same competition. The Images of the Year evening combines the judging of PDI/Digital and Print images - members can submit up to four images in total across either the PDI/Digital or Print categories - in any combination.

The rules for each competition are on the website. If it is not possible to judge a Print competition at the Hut then a DPI ("Don't Print It") round will be substituted on Zoom (using Digital images).

Wed 26 Jun	CLUB AWARDS EVENING and (short) AGM - including results of Monthly Set Subject Competition final with top images from each of this year's monthly set subject competitions

This competition comprises monthly rounds which are open to all members whatever their experience. The theme of this year's subjects is the second half of the letters of the alphabet (in QWERTY keyboard sequence). Images could include subjects that are characterised by the shape of the letter or subject(s) which start with the letter or are associated with the letter etc - use the set subject title creatively. Your image title may help.

The competition is intended to encourage new images or images previously unseen at the Club - though they can have been taken at any time. Members often try images in this competition before submitting them into the Club PDI/Print competitions. Up to three images can be submitted in each month by each photographer. Images are submitted by email before the deadline a week before the Monday results meeting. There are two rounds of online polls by members to determine the winning images. The top 3 images each month go forward to the final in June.

Ideally digital images should follow the same guidelines as used for PDI competition (ie jpgs sized at 1600 x 1200 pixels). Full submission guidelines are on the website.

Please title your three images image title_yourname_.jpg as used for PDI competition.
